

All-New Dacia Duster

Rugged, robust and better looking

More Duster than ever

We've spent the last six years listening to our community. They've told us everything we need to know about improving the Duster and we've listened. If we're being honest, we're quite impressed with ourselves.

With rugged new styling, completely redesigned interior and innovative tech, the All-New Dacia Duster is an adventure-seeking SUV that's ready for anything.

All-New **Dacia Duster**

All-New Duster. Ready for **adventure**

Nothing fazes the All-New Dacia Duster. Open road or off road*, it'll go wherever you want to go

With its dominant front grille, ready-for-anything roof bars and new 16[†] or 17-inch[^] alloy wheels, this SUV takes on any terrain – and makes it look easy. The added side protection, skid plates and front lighting signature will leave a lasting impression. Ready to go?

POSITION OF THE CAR
DURING OFF-ROAD DRIVING

Off road? Of course

Climb, cross, descend...the All-New Dacia Duster will follow your lead. With high ground clearance, a rock-solid chassis and 4X4 mode, off road is never off limits. It's time to say good bye to the beaten track and make way for new discoveries.

MULTIVIEW CAMERA[^]
4 CAMERAS TO HELP DRIVING
ON-ROAD AND OFF-ROAD

Travel **well-equipped**

Sometimes you're cruising down the motorway, sometimes you want to get off the main roads and explore uncharted territory*. Either way, the All-New Dacia Duster always knows how to respond.

Hill Start Assist makes light work of the steepest slopes, while the Hill Descent Control[†] keeps you on top of your speed. And because your eyes can't be in two places at once. The multiview camera detects objects around you. Talk about smooth sailing.

All booted up

Meet the perfect companion for any journey. Whether your weekend is about surfing, shopping or running the kids about, the All-New Dacia Duster's passenger compartment can be configured to carry everything you need.

With the 60/40 folding rear bench seat, the boot's loading capacity and 28.6 litres* of storage in the cabin, take what you want, where you want.

Assist and control

We've added loads of new safety features to the All-New Dacia Duster.

All-New Dacia Duster now offers:

- New seat frames and larger front head rests for improved protection.
- New curtain airbags.
- Isofix for child seats with a new i-Size feature for extra peace of mind.
- New Seat Belt Reminder (SBR) with dashboard display and a warning sound if a seat belt is unfastened.
- New bumper damper and bonnet design for improved energy absorption in case of impact.
- Eight-percent larger door mirrors for better driver visibility.

The All-New Dacia Duster isn't just easy on the eye. It helps to keep you safe and sound behind the wheel, too.

Blind Spot Warning[^]

Kitted out with four ultrasound sensors, the All-New Dacia Duster lets you know when any vehicles at the back or side are between three and five metres away. If any danger is detected, a warning light flashes automatically in the door mirror, and if your indicator is on, a warning light flashes in the rear-view mirror. The system works between 19mph and 70mph

Speed Limiter

Now you can drive under a pre-set speed without having to check your speedometer. Happy days.

Automatic Headlight Activation

The All-New Dacia Duster offers automatic headlight activation which helps provide a more relaxed safer drive. Bet that's brightened your day...

The height of comfort

The All-New Dacia Duster impresses inside and out. The electrical power-assisted steering offers a smooth driving experience, while the multiview camera[^] makes for perfect parking. Unlock the doors with a hands-free key card[^] and let the Climate Control[^] and heating keep you comfortable without lifting a finger.

When it comes to super comfortable seating, our designers really know what they're doing. Sink into plush seats with enhanced lateral support, armrest[†], denser foam, longer cushions and a new height-adjustment system[‡] that'll make every drive a joy. For ultimate comfort, heated and leather seats are available [^] as an option to keep you warm and comfortable throughout your journey.

The **engine room**

Meet the boss under the bonnet

Just because your car is affordable, doesn't mean you have to compromise on engine quality. All our engines are rigorously tested, over 800,000 kilometres of test driving in fact. So you can relax every time you turn the key.

Pick the engine for your lifestyle:

The new **SCe 115** petrol engine is a great all-rounder

- 4 cylinder, 1598cc engine offers you 115 hp and 33.2 - 36.7 mpg combined with CO₂ emissions of 149 - 158 g/km[†]

For ultimate fuel efficiency, try the **Blue dCi 115** diesel engine

- An impressive 48.7 - 57.6 mpg and CO₂ emissions of only 109 - 123 g/km[†]

The new **TCe 130** petrol engine offers great performance

- Offering 130hp and a great 39.2 - 41.5 mpg with CO₂ emissions of only 137 - 139g/km

For ultimate power, try the **TCe 150** engine

- The impressive 150hp turbocharged engine still gets 39.2 - 41.5 mpg with only 137 - 139 g/km

Blue dCi Engines

All-New Dacia Duster benefits from the latest Blue dCi diesel engines which are equipped with a system to reduce polluting Nitrogen Oxide vehicle emissions by injecting an urea-based fluid, AdBlue[®], into the exhaust system. A dashboard message will remind you when the AdBlue[®] needs topping up via specific Adblue[®] filling cap located next to the usual Diesel fuel filler cap. A full tank of Adblue will last for 6 full tanks of Diesel.

*WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however until April 2020 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration.

Bells and whistles

Get a custom-fit with our accessories.*

You can get all of our accessories, and these packs, for the All-New Dacia Duster.

DESIGN AND PROTECTION

1. SIDE STEPS: Go trailblazing and treat yourself to an adventurer's style. A functional accessory that makes it easier to access your vehicle and its roof. They also protect the bodywork from small daily impacts. Side steps non-compatible with mud flaps.

2. OFF ROAD PACK: Enhance the adventurous look of your Duster by adding even more character. Protect the bodywork of your vehicle and enjoy the great outdoors! (Content: wheel arch mouldings, side protections)

3. STYLING PACK : Protect your Duster from small daily impacts and give it a powerful look with front and side styling chrome bars.

4. ILLUMINATED DOOR SILLS: Elegance and modernity every time you open the door. White time-delayed lighting on your sills turns heads day or night.

5. BOOT SILL PROTECTOR: Cover and protect the rear bumper with an aesthetically appealing and tailor-made accessory. Embossed and polished stainless steel, it adds a designer touch to the rear of your vehicle.

* Accessories are fitted post-production, and may have an impact on real world fuel (actual) consumption and CO₂ figures.

The **Dacia way**

Fifteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 5 million Dacias globally since 2004.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent award Autotrader's best value brand 2018. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.com.cy**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Take your **first adventure**

Make a smart choice today.
