# New Dacia Sandero

30 January 2017

# Welcome to Dacia

You’ve probably realised by now, but we’re not your usual car brand. We began with the dream that more people should have the opportunity to own a new car. To make it a reality we created a range that combines space and quality at an unbelievable price. We believe in function over frivolity and that by being simple, reliable and smart we can make a real difference.

Dacias are cleverly designed, reassuringly robust and incredibly reliable. They’re also shockingly affordable because we only ask drivers to pay for what they need, not the fancy extras they’ll never use. It’s an approach that has rewarded us with incredible growth across Europe since 2004 and won us more awards than we know what to do with.

We hope you like what you see and will join us in the Dacia family.

# Our awards

We don’t tend to make a song and dance about our cars. It’s not our way. But that’s fine, because lots of people are happy to do it for us.

When it launched in the UK in 2013, the Dacia Sandero won the What Car? Best Small Car Under £12,000 award. It’s gone on to win it every single year since.

Dacia’s been voted 4th best car brand from 32 other brands in the most recent Auto Express, Driver Power Survey, and has been in the top five since 2014. In the same survey, Dacia Logan MCV was voted the best family car. Not too shabby eh?

Dacia was also voted the 4th most reliable car brand in the 2016 Which? Car Survey – receiving a 90% satisfaction score based on feedback from more than 59,000 UK car owners reliability survey.

Dacia was awarded a Silver Award in the recent Auto Express Driver Power survey for Dealer Aftersales Service Satisfaction showing our commitment to customer service.

It just goes to show – if you refuse to compromise, anything is possible.

# Introducing New Dacia Sandero

Like attractive design? Need a spacious interior? Want modern technology, but don't want to break the bank? Say hello to New Dacia Sandero.

## Big car features, big space.

Beneath its svelte form lies ample space for five adults. A split-folding rear seat and 320 litre boot make transporting luggage simple. Electronic Stability Control, anti-lock brakes and four front airbags ensure safety as standard. New styling features are also bound to impress; including restyled front and rear bumpers, new front grille, and LED day time running lights. Air conditioning is now standard from Ambiance trim - giving you what you need.

## Big car technology.

Want cutting-edge design that's also intuitive to use? No problem. Lauréate trim is for you: the MediaNav fully-integrated touchscreen multimedia system, featuring Bluetooth<sup>®</sup> connectivity and satellite navigation, is standard; and rear parking sensors will give you that added peace of mind about town. With a new and improved interior, you can now also experience DAB radio on all trim levels (except Access). Then, there's the state-of-the-art TCe 90 3-cylinder petrol engine (available on Ambiance Trim and above), which combines impressive performance with frugal fuel consumption and CO<sub>2</sub> emissions of just 109 g/km\*. Which means savings for you and the environment.

	Max unbraked trailer (kg)	520	525	580

\* Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site [www.vca.gov.uk](http://www.vca.gov.uk). For more information on CO<sub>2</sub> banding and Company Car Tax Benefit in Kind go to [www.renault.co.uk](http://www.renault.co.uk)

Dimensions

EXTERIOR DIMENSIONS (mm)	
A - Wheelbase	2,589
B - Overall bodywork length	4,069
