DRIVE THE CHANGE

THE STYLE OF A TRUE OFF-ROAD VEHICLE

Wide wings and a tall stature reveal its personality: Duster is a true off-road vehicle! Its muscular design is that of a true adventurer, but it is also at ease in town, with its elegant style, chromed radiator grill and double-optic front lamps. Its sturdy and reassuring appearance are a reflection of its equipment: ABS, emergency brake assist, front driver and passenger airbags and head and thorax side airbags as standard (Ambiance version upwards), it benefits from renowned expertise in safety. Duster takes care of your wallet and the environment, it has moderate running costs due to an optimised maintenance programme, engines which are economical on fuel and environmentally-friendly and which have proved their reliability. Feel confident with Duster.

WHO BETTER THAN RENAULT TO SERVICE YOUR RENAULT?

WARRANTIES

Starting from its delivery date, each Renault vehicle is covered by a two-year, unlimited mileage **Diamond Warranty**, including free repairs and assistance. Your vehicle has **extended warranties** against paint defects and corrosion of 3 and 12 years respectively*.

Renault also ensures that your usage and insurance costs are reduced with models that can be repaired at less cost and benefit from excellent protection against theft and break-ins (excellent "Danner" and "Thatcham" test results).

* Except the New Master range: 8-year anti-corrosion warranty.

RENAULT ASSISTANCE

For breakdown repair on site or towing to the nearest workshop, the **Renault Assistance** network is available to you 24 hours a day, 7 days a week at the number **00961 3 694668**.

CUSTOMER CARE

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. For enquiries, please contact us at 00961 1 684 684, you can also visit our website www.renault-liban.com

RENAULT NETWORK SERVICES

No-one is better placed than Renault to maintain, equip and repair your Renault. The **Renault Minute** (maintenance without pre-booking) and Renault **Minute Bodywork** (work on paint, lights, windscreen, bodywork, etc.) services provide the best maintenance and repair quality with a 1 year warranty on repairs carried out and use of **Renault genuine spare parts**.

The latter, manufactured to the same quality as when the car was first manufactured, also enable you to preserve the original value of your Renault.

Renault Rent enables you to rent a personal or light commercial vehicle for a short time.

To customize your vehicle, choose from the wide range of durable, high-tech **Renault accessories**. And for financing you can control, the **"Payment Plan"** lets you pay in several installments or monthly.

COPE WITH ALL TERRAINS

Duster fears no terrain. Provided with high ground clearance and large ramp breakover angles, it has true 4x4 capabilities. Its structure allows it to naturally cope with all road and track conditions. Duster is a light, compact vehicle for its size, which gives it great agility and contributes to its off-road performance. A performance in which the new manual 6-speed* gearbox also plays its part, the low 1st gear (5.79km/h at 1,000 rpm) allows for driving over rough ground, starting on a slope or under load, or holding the vehicle back when going downhill. With its intuitive 4x4* control, Duster adapts to all situations making driving easy. And in complete safety!

*Available on the 4x4 version.

2WD Mode:

- Operation: engine torque distributed to the front wheels.
- Conditions of use: road surfaces with good grip conditions and motorways.
- Advantage: optimised fuel consumption

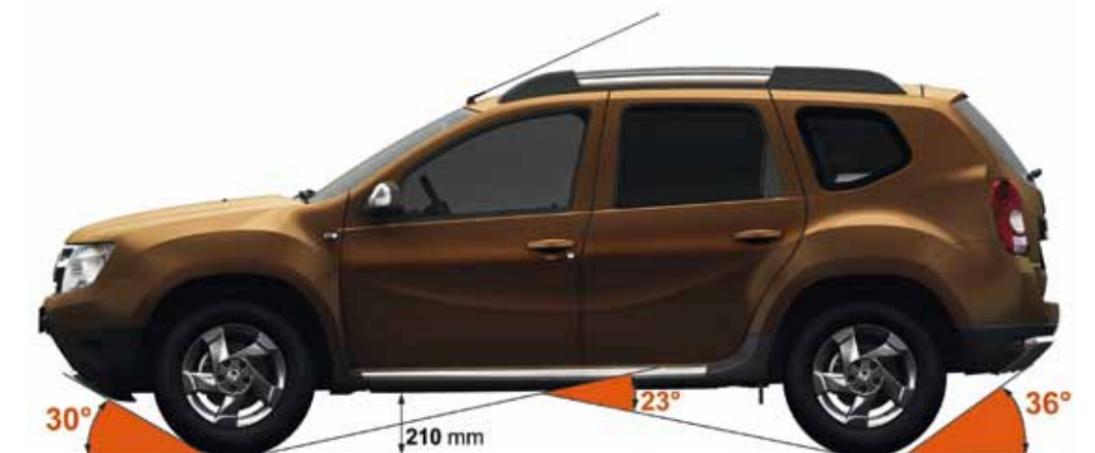

Automatic Mode:

- Operation: automatic distribution of engine torque over the four wheels depending on grip conditions.
- Conditions of use: all types of road in all grip conditions and on slippery road surfaces in particular (rain, snow, ice, etc.).
- Advantage: better compromise between roadholding and traction whatever the grip conditions so providing maximum safety.

Lock Mode:

- Operation: engine torque forced on all four wheels. Engine control and braking suited to 4x4 usage.
- Conditions of use: difficult stretches and off-road tracks (rough surfaces, mud, soil, sand) at low speed (< 80km/h).
- Advantage: maximises off-road capabilities.

COMFORT À LA CARTE

Duster has a large, comfortable interior. Practical and functional, its passenger compartment can hold 5 passengers and provides up to 475 litres of space in the boot (depending on version), easily providing enough space to carry all their luggage and leisure equipment. With the back seat folded down, the space available goes up to 1,636 litres. Folding the front passenger seat down enables objects as long as 2.65 meters to be carried in the passenger compartment. Because drivers and their families have different expectations, Duster offers equipment which concentrates on the essential without being superfluous. Leaving you free to customise your Duster! To meet all requirements, several packs and options are available: air conditioning*, radio-CD** and radio-CD MP3** systems, modularity pack comprising, in particular, a 1/3-2/3* split folding rear seat, electric rear windows***, leather pack*** (leather/teq upholstery, leather steering wheel and gear knob), etc. It's simple: Duster has a solution for all.

* On Ambiance. ** Ambiance upwards. *** On Laureate, leather covering present on the central part of the seat and backrest.

ACCESSORIES

1. FRONT TUBE

This low, horizontal, 60mm diameter stainless steel tube accentuates the powerful and sleek character of your Renault Duster. It naturally complements the lateral bars.

1. LATERAL BARS

These lateral 60mm diameter stainless steel tubes protect and follow the line of the side skirts giving the imposing silhouette of the Renault Duster an undeniable elegance. They are compatible with the front flaps.

2. WING EXTENDERS, FRONT AND REAR FLAPS, SIDE PROTECTORS FOR WIDE DOORS

This combination protects the front and rear wheel arches against spatter and friction in particular, protects the bottoms of doors and side skirts, and limits sundry spatter. It also accentuates the vehicle's expression of sturdiness, security and multi-purposeness. It coordinates perfectly with the deliberate and expansive design of the Renault Duster's wings.

3. BLACK FRONT CENTRAL ARMREST

The front central armrest affords extra comfort to the driver during the trip and provides the occupants with an additional and discrete storage space. (also available in light grey).

4. STANDARD COUPLING DEVICE

Designed for continuous use.

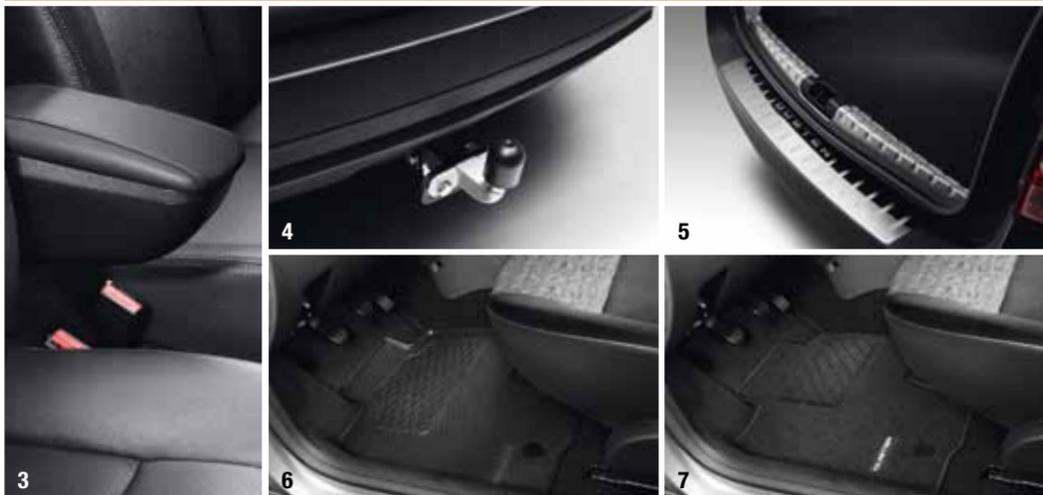

5. BOOT SILL

This both protects and elegantly adorns the rear of your Renault Duster whether in the town or in the country.

FOR 111 YEARS, WE HAVE BEEN SHARING THE VISION THAT TO SUIT ITS ERA THE CAR MUST ALWAYS BE AN ADVANCE, A RESPONSIBLE COMMITMENT, A SOURCE OF ENTHUSIASM AND SUSTAINABLE MOBILITY FOR ALL.

Our relationship with drivers and their passengers is built around a simple idea: to be popular, a car must be practical, reliable and suited to everyone's lifestyle and expectations. This is why Renault offers **models that suit everybody, "cars for living", accessible to all**. From the first standardized models in France before the war to the imminent launch of the first range of electric vehicles, **it has always been our desire to democratize cars and mobility**.

Today, we are convinced **that another world is possible**. A world where the car will no longer be a threat to the environment and bring together **mobility, safety, and quality for all**.

We share this dream every day as we never forget that **passion for the car is**, and always will be, our greatest driving force. We want to give new meaning to the car, so that it can occupy a new place, more suitable to the challenges of society and always be an advance for man.

The Renault vehicles of today and tomorrow are the foundations of our ambition: **to make sustainable mobility accessible to all**.

Renault. Drive the change.
