New Renault SANDERO Stepway

Dare to make the crossover

The New Renault Sandero Stepway clearly displays its character right from the start. With a design incorporating a new, redesigned front end panel, more pronounced chrome grille and a new front and rear lighting signature, this vehicle is even more adventurous and wears it on its sleeve!

Comfort and modernity

Special attention is paid to even the smallest details of the interior: the new Soft Feel steering wheel, new upholstery for a more consistent interior look, the new, more elegant centre front panel with its chrome finishings*... And for maximum comfort, take advantage of its spacious passenger compartment and its 5 roomy seats, ergonomic armrest, its many clever storage spaces and its rear 12V outlet for recharging your devices. What you've got is the ideal, stylish city car that'll stick by you every day, wherever you go.

Useful technologies that make life easier

The New Sandero Stepway comes with even more useful equipment, such as the Media Nav Evolution multimedia system, the integrated rear view camera,* as well as the driver-side one-touch windows... Technologies that will make your daily life easier behind the wheel!

*Depending on the version.

Driving comfort

In order to optimise your comfort, the New Renault Sandero Stepway is equipped with an automatic gearbox that's sure to provide you with smooth gear changes, without any bumps or jolts. Available with the 1.6l engine, this automatic gearbox is ideal for an enjoyable and relaxed drive under any conditions.
