RENAULT
Passion for life

New
# Renault **LOGAN**

# Modern and dynamic lines

New Renault Logan has an even more modern and dynamic design. With redesigned front and rear end panels featuring the new Renault brand light, New Renault Logan is a beauty to behold.

LOGAN

# A warm and modern interior

The interior of New Renault Logan is even more harmonious and gratifying. This warm space boasts impeccable finishes, including modern upholstery, a redesigned central fascia, a steering wheel with a horn and an ergonomic armrest*. Feel good from the moment you step inside.

*Depending on the version.

# Useful technologies that make life easier

Featuring the new Media Nav Evolution system with an integrated rear view camera*, plus the driver's side one-touch electric window, New Renault Logan lets you enjoy your journeys in the utmost comfort.

*Depending on the version.

LOGAN

# Driving comfort

New Renault Logan is fitted with an automatic gearbox for optimal comfort, guaranteeing smooth and jolt-free gear changes. Available with the 1.6 l engine, it's ideal for an enjoyable and relaxed drive in all conditions.

# Everything you need to accommodate your family

New Renault Logan has 5 generous seats to comfortably accommodate all your passengers. Enjoy useful and smart new storage areas, including a phone pouch and a front passenger-side net pouch. There's a new 12 V output in the rear for charging your devices. There's also a 1/3-2/3* split-fold rear bench seat and a spacious boot to transport everything you need in the way that suits you. Combine utility and pleasure for a journey you're sure to love.

*Depending on the version.

# Accessories

1.

2.

3.

4.

5.

**1. Wheel rim.** Assert your personality with the RUNWAY wheel rims for a modern and very dynamic look.
**2. Front and rear mudguards.** The front and rear mudguards effectively protect the bodywork from mud spatter and gravel.
**3. Rubber floor mats.** The rubber floor mats fit your vehicle perfectly. Easy to maintain and very hardwearing, they provide optimal protection against snow and mud, for example.
**4. Child seat.** Ensure your children are comfortable and fully protected when you travel, with an Isofix attachment for quick, easy and completely safe installation.
5. Sun visor. Sun-blocking and easy to install, these make your passengers' journey more comfortable.

6.

7.

8.

9.

10.

11.

**6. Boot organiser.** Organise your boot and keep your belongings in place when you travel with this removable and easy-to-install accessory.

**7. Boot container and boot sill.** The boot container perfectly fits the shape of the boot and is great for protecting the original carpet. It's practical and easy to clean. Add this boot sill to protect your vehicle's rear bumper.

**8. Alarm.** This alarm detects all intrusion attempts and movements in the passenger compartment.

**9. Integrated video black box.** This automatic and autonomous on-board recording system remembers where you were at what time, providing an objective view of any situation in the event of a road incident.

**10. Roof locker on transverse roof bars.** Install this elegant Renault roof locker on your roof bars. These roof bars are ideal for attaching accessories such as bicycle racks, ski racks and roof lockers.

**11. Towbar with bicycle rack.** Essential for towing or carrying your equipment in complete safety, this towbar is guaranteed to be fully compatible with your vehicle. For your leisure trips, choose the highly practical bicycle rack. Its swing-out feature allows unrestricted access to the boot.
